[0:09:08] "If we go back 1,400 years in time, we find that history is repeating itself, servants of Allah. The Prophet Muhammad...[0:09:18]

[00:09:36]...was besieged by two superpowers: Persia in the East and Byzantium in the West. These represent exactly the Soviet Union, and America of today. Persia represents Russia in the East, and Byzantium represents America in the West. Persia fell first in the East, just as Russia fell first in the East, and America will fall, by Allah's will, just as Byzantium fell in the West. However, [the fall of] Byzantium required a further challenge of the Muslims, a further closing of ranks and further sacrifice. The battle with Byzantium, in which this superpower came to an end, required a further challenge and defiance of the Muslim, just as America today, its allies and protégés, the Zionists and others, requires of us a further sacrifice, requires of us a further closing of ranks and unity, oh Muslims, and we will be victorious, by Allah's will. [0:10:48]

[0:26:14]... By closing of the ranks the Prophet succeeded in overcoming Byzantium, the superpower, which is equivalent to America today, without the fall of even one Muslim *Shahid* [Martyr] ...[0:26:33]

[0:26:55]...The Prophet succeeded -- through closing the ranks of the Muslims and by motivating them -- in overcoming the America of then, just as we will defeat America, as long as it supports our enemy. As long as America is determined on its positions against our people, our issue and our holy places, and against our people and its leadership -- as long as America adheres to these criminal positions, we will defeat it, Allah willing. We see America as the number one enemy, as long as it supports our enemy. Aren't we killed by American planes? Aren't our homes being destroyed by American tanks? Aren't we being bombed by American missiles?" [0:27:56]
